2023 Retiree Medical Plan Enrollment - FAQ

What is Annual Enrollment for retirees?

Annual enrollment gives our retirees an opportunity to change medical plans or coverage tiers (i.e., who is covered).

What happens if the retiree or spouse is moving to Via Benefits?

The member who is not on Medicare will stay on the current plan while the retiree or spouse moves to Via Benefits. If the remaining participant is not the retiree, the subscriber will now be the trailing dependent. A new ID card will be issued.

Do I have to do anything during Annual Enrollment?

If you do nothing your medical plan and coverage tier will remain the same in 2023.

2023 Retiree Premiums

- Fermilab continues to subsidize premiums for our retirees who are not yet eligible for Medicare.
- Effective **January 1, 2023, retiree contributions will go up overall 4.2%.**
- Non-Grandfathered retirees will continue to pay 65% of the total cost of the coverage with no further increases planned.

Medical Plan Rates Update

- In August 2019, active Fermilab employees were notified of a change to the retiree healthcare insurance contribution percentage.
- This change impacts employees that retire after January 1, 2020.
- **If you retired prior to 12/31/2019 this does not impact you or your dependent.** Non-Medicare eligible retirees and covered dependents as of 12/31/2019 were grandfathered at the cost sharing percentage rate in effect in 2019, which averages about 37% of total premium.

Medical Plan Rates Update

- For those who retired after 1/1/2020 Fermilab changed **the percentage** the non-Medicare eligible retiree pays for retiree medical coverage as outlined in the schedule below. **Please note that the 65% cost share effective 1/1/2022 remains the same in 2023 with no future increases planned at this time.**

Retirement Date	Retiree Pays	Grandfathering
Currently retired	37% of premium	Yes, until Medicare eligible
On or before December 31, 2019	37% of premium	Yes, until Medicare eligible

ACA Mandated 1095 Reporting

- This statement is to be filed with the employee's Federal tax return. Think of the Form 1095 as a type of W-2 for the health insurance and its separate instructions is at www.irs.gov/form1095b.
- The 1095 form is your proof that you had the required coverage. Retirees that were covered either in the active employee plan or retiree non-Medicare eligible plan for any portion of 2022 will receive a form.

Medicare

- **Medicare** is a health insurance program mainly for people age 65 or older, or who are determined to be disabled by Social Security.
- A retiree becomes eligible for the Via Benefits program on the first day of the month **after** the first full month that the retiree is eligible for Medicare (age 65).
 - Example: a retiree turns 65 on 3/28/23. The retiree should be enrolled in Medicare effective 3/1/23. The retiree is eligible for Via Benefits on 5/1/23. The group coverage through Fermilab ends on 4/30/23.
 - You **must be enrolled in Medicare** to participate in this program.
- If you are becoming Medicare eligible **because you are turning 65**, your enrollment period is the three months before, your birthday month and 3 months after your birthday. The enrollment period for those eligible for Medicare due to disability is different.
- Retirees and their dependents who are eligible for Medicare **must enroll in Medicare Part A and Part B timely** or they risk gaps in coverage, or denial of coverage.
- There will be a **late-enrollment penalty imposed by Medicare** if you do not enroll in Part B during your designated enrollment period. This penalty is permanent and is added to all future monthly Part B premiums.
- For more information about Medicare, visit their website at:
<http://www.medicare.gov>

2023 Retiree Medical – Via Benefits

- All Medicare-eligible retirees and dependents will select an individual medical plan to supplement Medicare with help from a licensed benefit advisor at Via Benefits.
- If a retiree enrolls in a Medigap plan he/she also enrolls in a prescription drug (Part D) plan that fits the retiree's individual needs at this time.
- Medicare Advantage plans include prescription drug coverage.
- Dental and vision insurance policies are also available.
- Fermilab provides a subsidy of \$175/month, per person, funded to a Health Reimbursement Account (HRA) to pay for the chosen plans.
- The account may be used to pay insurance premiums, Medicare Part B premiums and other health care expenses not covered by insurance.
- If a retiree is Medicare-eligible and his/her spouse is not, the spouse remains in the current Fermilab PPO or HMO until Medicare-eligible. The same enrollment process applies.
- If the spouse is Medicare eligible, and the retiree is not, the spouse joins Via Benefits.
- These changes also apply to former employees who are receiving benefits in Fermilab's Long Term Disability Plan who are eligible for Medicare.

Via Benefits – Age-in Process

- Current and future retirees who are not Medicare eligible now will “age into” the plan.
- Via Benefits sends a letter to the retiree (or spouse) 6 months prior to the retiree’s (spouse’s) 65th birthday encouraging the retiree to make a telephone appointment with a Benefit Advisor.
- Via Benefits will send an enrollment guide 3 months prior to 65th birthday.
- The retiree is eligible for the Via Benefits program the first day of the month **following a full month after he/she turns 65.**
- This allows enough time to enroll in Medicare and select a plan through Via Benefits.
- Example: Mr. Retiree turns 65 on 2/14/23. He should be enrolled in Medicare beginning 2/1/23. He is eligible for the Via Benefits plan effective 4/1/23. The group coverage through Fermilab ends on 3/31/23.

Important Points to Remember

- 2023 retiree medical plan changes can be made from **October 26** **November 9**.
- Changes effective **January 1, 2023**.
- If you do nothing your medical plan and coverage tier will remain the same in 2023.
- If you make a change an ID card will be mailed in mid-December
- Fermilab's retiree medical plan in 2023 covers only retirees and/or dependents who are not Medicare eligible.
- All Medicare eligible retirees or dependents move to Via Benefits after they become Medicare eligible
- Please make sure you update your contact information. This can be completed anytime throughout the year by sending an email to benefitsoffice@fnal.gov
